How to Make \$\$\$ with your event...

- ★ Some schools and private organizations prefer to give our CFFN to their students as a gift with no entry fee.
- ★ Others have charged a small admission fee + a can of soup for a local food pantry.
- ★ Still others have added pre-show Carnival ticket sales to the admission fee + procured local businesses to sponsor our event. We can consult with you to create the perfect revenue environment.
- ★ If you are able to get sponsors for the event, we make sure to promote them throughout the event. Sponsors can even be a Guest Ringmaster to start the show!

Set-up Requirements...

- ★ Our Circus Team arrives 2.5 hours before the start of your event to set-up.
- ★ The earliest we can start the event on a Friday night is 6:30pm. It depends on the distance and traffic from Tarrytown to your site. For performances on a Sat/Sun afternoon, the start time is up to you.
- ★ If you have after-school or sports programs in the gym on Friday night, we will rely on you to negotiate with the coaches to make sure we have full access to the gym by 4:30pm.
- ★ If we are going to be in a room other than the gym, the ceiling height needs to be at least 20 feet.
- ★ We need floor area of 25' x 25' for our stage area.
- ★ It takes us one (1) hour to strike. Please inform your janitorial staff.
