A **physical learning and confidence building** experience for ages 7-18 that will leave your troop members (and leaders) smiling, laughing and wondering if they can join the circus the very next day!

Girl Scout Circus Fun Day starts with our signature **CircusFit Workout**. The girls then rotate to our **CIRCUS SKILL STATIONS** where they learn how to juggle, spin plates, manipulate diabolos, walk on the tight-wire, build human pyramids, and dance in the air on the Aerial Silks.

Circus Fun Day ends with your girls creating The Amazingly Incredible and Ever Spectacular Troop Clown Sit – an act that will give your girls many wonderful memories of their day at the circus.

Girl Scouts earn a **Circus Patch**, too! Hundreds of Girl Scouts have put them on their vests!
